Dear Mrs. Griffiths:

Subj: LETTER OF APPRECIATION

Please accept my sincere thanks for taking the time to participate in the industry panel at the Naval Open Architecture Contract Symposium on September 29, 2005. Your insightful remarks and perspective contributed significantly to the success of this event. I was delighted in your ability to effectively and cogently present the small business perspective.

I have received positive feedback regarding the symposium, not the least of which is related to the value added by you and the other industry speakers. The attendees were enlightened by the information you presented and were most appreciative of the opportunity to hear your frank comments.

This was the first of many symposiums that we hope to continue in our outreach efforts. I look forward to your continuing participation as we move forward.

Once again, your support is greatly appreciated.

Sincerely,
